

Upgrade your windows with Guardian Sun™ packages

Choose advanced glass packages to help enhance your comfort at home

Upgrade 1: COMFORT

Guardian Sun™ Comfort

This package incorporates: Guardian Sun™

Help to experience a cool, comfortable home even on hot days, and a warm, cozy home even on cold winters. Also, helps to reduce the demand with heating and cooling, while offering clear views and natural light – all year round.

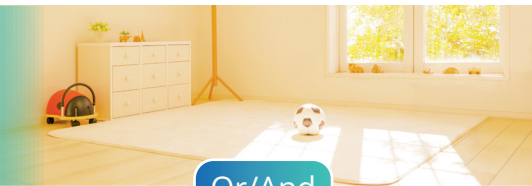

Upgrade 2: ADVANCE

One package in Level 1 + choose from:

Guardian Sun™ Safety

Help protect loved ones from injuries in case of glass breakages.

This package incorporates: Guardian LamiGlass™

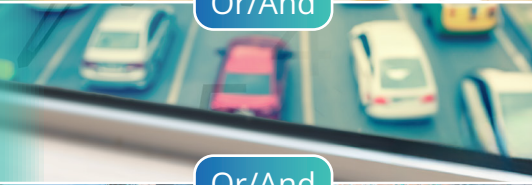

Or/And

Guardian Sun™ Acoustic

Add sound reduction to the safety feature and lower disturbing noise from outside.

This package incorporates: Guardian LamiGlass™ Acoustic

Or/And

Guardian Sun™ Anti-Burglary

Go on vacation or have a good night sleep knowing you are protected with security glass that helps prevent forced entry.

This package incorporates: Guardian LamiGlass™ P4A class

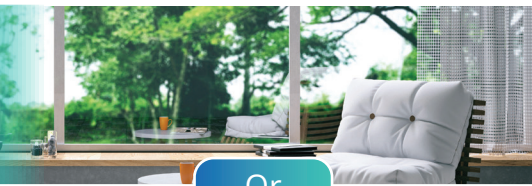

Upgrade 3: ULTIMATE

One package in Level 1 + choose one or more packages in Level 2 +

Guardian Sun™ ViewBoost

For a bespoke window – enjoy the view, not your reflections on the glass surface.

This package incorporates: Guardian ViewBoost™

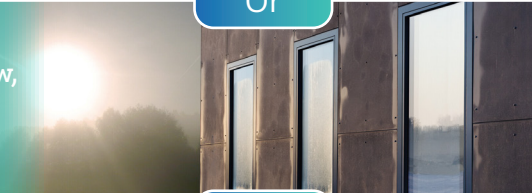

Or

Guardian Sun™ Dry

Prevent condensation build-up, even during chilly mornings. Start every day with a clear view, eliminating the need for manual defogging.

This package incorporates: Guardian ClimaGuard™ Dry

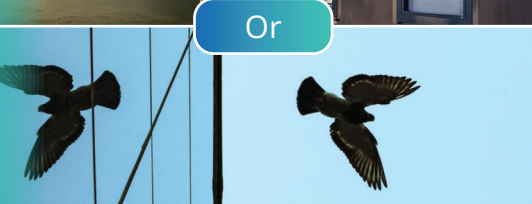

Or

Guardian Sun™ Bird1st

Helps to prevent birds from colliding with buildings.

This package incorporates: Guardian Bird1st™

Do you want a lower carbon window? Select base glass on Guardian NEXA™ 9.
